

10: Clerk of Court
Judge Moran
Sheriff Bieber

Ann-Marie; Retzlaff
405 North Main Street
Shawano, Wisconsin 54166

2: Judge Dries June 22, 2022,

Reference: Habeas Corpus, Ann-Marie; Retzlaff v
Judge Michael Moran et al, case 22-CV-703,
United States District Court, Eastern District of
Wisconsin, Office of the Clerk, 362 US Courthouse,
517 East Wisconsin Avenue, Milwaukee, Wisconsin
53202; Petition to Dismiss, June 13, 2022; Affidavit
of Truth and Petition to Drop all charges against me,
June 20, 2022; Petition for Trial by Jury, June 13, 2022;
Petition to Abolish Excessive Bail, June/May 2022 many;
all petitions, affidavits, correspondence sent to
Clerk of Court on cases 2021SH00079/2021SH000707/
2022CR000250.

Correct the errors: Petition filed for habeas corpus,
\$5 filing fee transfer from my trust account
155606 to United States District Court, Eastern District,
Attn: Ms Gina Colletti sent on or about June 21, 2022
via Shawano County Jail Accountant, Ms. Beverly and/or
Ethan Schmidt, SHAWANO COUNTY CLERK OF COURTS
sent via kiosk and hand-written correspondence
through corrections officers. Violation Sec 8, Wis. Constitution.

Correct the error: Excessive Bail of \$27,000, not
\$25,000. Petitions to lower this excessive bail/bad/
fee/penalty have been sent to Clerk of Court,
SHAWANO COUNTY and Judge and DA many times and
failure to reduce or abolish is a violation, sec 6, Wis Const.

Correct the error: A legal document must have wet ink signatures of the parties, as an accommodation party from a man/woman. There is no signature on this document denying habeus corpus. I, Ann-Marie; Retzlaff, am a living soul, Sui Juris, am not a federal citizen, person or resident of the District of Columbia, the STATE OF WISCONSIN, SHAWANO COUNTY and can not enter and will not enter into any contracts. I have objected all charges against me in numerous affidavits and special appearances in the de facto courts. I am held against my will, without my consent, under inhumane and cruel treatment and punishments, with excessive bail/bond, violating US Constitutional Rights 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 14 and Wisconsin Constitution, Article 1, section 6, 8.

I received court documents, as a Pro se, attorney in fact, these are to be confidential and were presented to me June 21, 2022 opened, post-dated 16 June 2022. Was this done intentionally to delay my filing with the Eastern District Court for this Habeus Corpus? Why is this habeus corpus denied for \$5 when either the Jail Accountant or the Clerk of Courts can verify my trust fund balance? Why wasn't the \$5 transferred yesterday when first sent to them? Why does the Kiosk "shut down" every

time, or nearly every time I am typing my
lawful entries, correspondence, and trying
to use the deplorable excuse for a
"law library"? Why, as an Attorney in fact,
do I have a daily limit of only 2 trans-
actions, where I have 2-10 daily to
work? Why does it take up to 5 days for
me to make copies for record and to
disburse and/or mail out while wrongfully
incarcerated? Why have I not been allowed
law books and a proper way to create,
research, send lawful documents for
the 6th cases I have actions on right
now? Who benefits from Ann-Marie Retzlaff
not having a right to free speech and
the ability to be my own defense counsel?
Why would I be falsely accused, Kidnapped,
assaulted, injured, imprisoned against
my will and without my consent?
